

January 2021

Dear Parents,

Below is a list of canteen items that are provided each week during recess from 2.30-3.00pm.

Canteen Menu	
Mortadella roll	\$4
Hot dog	\$3
Cookie	\$1
Chocolate milk	\$2
Juice	\$2
Water	\$2

There may be some variations in the canteen menu throughout the year.

There is a credit system in place at school canteen where parents can leave an amount of credit for their child's use throughout the year. This amount must be paid in advance. It is the responsibility of the parent to check with the canteen co-ordinator Liela Ohanian (0402 078 516) to ensure there are sufficient funds for their child present at school.

The school policy is not to provide food to students who have no credit or cash on them. In terms of food allergies and anaphylaxis, our school canteen follows a nut free policy and would appreciate your co-operation not to include any nut products in your child/children's lunch boxes. We currently have students at school who have food allergies and anaphylaxis to nuts and other foods.

Parents of preschool and kindergarten children can encourage their child/children to avoid sharing or trading food. It is also helpful to educate children to let teachers know if they or their friends feel unwell.

Regards,

School Management Committee
